

Episode Notes

NAME * ROLE Zofia Sochanik & Juliet Valdinger,
The Connectors

KEY IDEAS

1. The philanthropic sector is broad, with a spectrum of stakeholders. Yet, these groups engage within silos leading to a fragmented field.

2. Connectors, by natural characteristics or practiced approach, know the intersection points & places within the field and link others together.

3. Linking between languages and ideologies, connectors facilitate giving between private wealth, foundations, charities, & government.
